Re: *Petition for Waiver of Rules Requiring Support of TTY Technology*, GN Docket  
No. 15-178

Dear Ms. Dortch:

Comcast Corporation (“Comcast”) hereby submits this letter to notify the Federal Communications Commission (“Commission”) that Comcast supplies RTT in accordance with the applicable Commission rules in lieu of supporting TTY technology. As a result, Comcast no longer requires the waiver granted by the Commission in July 2018.<sup>1</sup> Comcast will continue to comply with the “notice conditions imposed in the [Waiver Order] . . . until the full implementation of the [RTT] rules.”<sup>2</sup>

Should you have any questions about this submission, please contact the undersigned.

Respectfully submitted,

Brian A. Rankin
